

Directions from Kings Road

Go south down Waterford Road or Edith Row, for approximately 50m, to Michael Road.

At the roundabout, go through the big blue steel gates (next to the Fulham Tup pub), which is the entrance to The Gasworks.

Pass security and go 85m, through second set of gates (always open).

15m after second gates, KHT is located on the left, with 2 parking spaces.

Please park in KHT space to avoid getting a ticket or clamp!
